

Request for Consideration of Withdrawal from CONDOR

Objects in the Central Michigan University Online Digital Object Repository (CONDOR) are deposited at the discretion of the author/creator. CONDOR is intended to be a permanent archive of the deposited objects. To request that an object be considered for removal, complete the following *Form for Requesting Reconsideration of Repository Materials* and click the Submit button. All withdrawal considerations will be based on the [Library Bill of Rights](#), the [Freedom to Read](#) statement and all relevant interpretations as adopted by the [American Library Association](#).

Form for Requesting Reconsideration of Repository Materials

Your opinion is valued. If you have an objection to any materials contributed to Central Michigan University's Digital Object Repository, please complete this form, indicating as clearly and legibly as possible the nature of your concern. You will be contacted to discuss the problem in the near future.
